

From the Coaching Desk of the 2016 Ohio Valley Conference Champions:

"The most asked question by fans is, "How is your team preparing after winning the OVC title?" My answer to that is we are working harder than ever, we are concentrating better, and we know what it takes to win. With that said, each player understands we must put last year behind us and work as hard as we can to get back to that point. These guys are hungry for another one and want to get off to a better start this year than the last. It is going to be an exciting year for Austin Peay Basketball. Thank you for your support and hope to see each of you this season!"

-Head Coach Dave Loos

October Activities

It's the most wonderful time of the year--no, not Christmas time, but basketball is back! Twenty practices in and the Governors are starting to get the sense of basketball being in full swing.

The month of October proved to be a busy month for coaches and players--players continued to serve the community at Liberty Elementary school, we had activities at Fort Campbell, over thirty future Govs on campus for homecoming and our annual underclassman day, all the way to our Sneak Peayk and the Basketball Bash. We cannot thank each of you enough for your support of Austin Peay Basketball and Austin Peay Athletics. We could not do it without your help!

Big thank you to Colonel Al Boyer from the CDR 1st Brigade, 101st Airborne (AASLT) who came on campus to talk to our guys about building high performance and a positive command climate. We are excited about our relationship with are neighbors at Fort Campbell and learning leadership from one another.

Ball Boy and Girls for Home Games!

Come help be apart of a great program here at the Peay! We are looking for children ages 10 years old and up to help us out for home games this season.
