

## **From the Coaching Desk of the 2016 Ohio Valley Conference Champions:**

"What an exciting January. It is amazing to see this team continue to fight through adversity. The win against Murray at home proved that we can out rebound a team and play good enough to beat the good teams in this league. Now its time to put a few together in February and make a run! Thanks to the troops who supported us during our home game against Southeast Missouri. We support you and thank you for your service!"

Thank you for your support of Austin Peay basketball

### **February Activities**

The Governors started the month of January will two close losses on the road to two top teams in the East Division. The losing didn't last long as they picked up wins on the road at SIUE and Eastern Illinois. Then the following week this team took down first-place in the West Division foe Murray State. It's time for the Governors to attempt to make their postseason run back to the OVC championship to defend the title!

### **January 28 - A Great Night at Austin Peay**

In the Saturday, Jan. 28 home contest against SEMO we had two events that highlighted the night. First, was our Coaches vs. Cancer 'Suits and Sneakers' night. Our coaches supported that cause by wearing sneakers and yellow shoe laces. Having a staff member (Dave Loos) battling cancer himself the night meant a little more than just wearing the shoes and we thank everyone for their support.

Also Saturday was Military Appreciation Night. We had close to 4,000 fans attending the game and close to a thousand of those were out partners who serve in the 101<sup>st</sup> Airborne at Fort Cambell. Thank you for your support at the game and for all you do for our country!

Starting the first week of February Govs are making stops at Liberty Elementary, Manna Cafe, and Hillsdale Hoops to support our community. The community service will run all the way to the end April.

The Gobs are excited to be back out in the community and look forward to making stops near you in the future!

**Coaches vs. Cancer 'Suits and Sneakers' was a great success around the country and we thank everyone who supported us.**

We've also got our season-long 'Coaches vs. Cancer Three-Point Challenge' which you can support by visiting <http://pledgeit.org/cvc-austin-peay>. Join us in the fight against cancer!
